- *RISE & RISE Up Intervention Training
- *Next Step Guided Reading Assessment Kit/Running Records Training

I have had everyone you could imagine come in and work with our teachers, and they have never taken to anyone like they did with you. They were so engaged in your training because you related to them, and they appreciated that. They were hooked - hanging on your every word.

- Renee Rogers,
Reading Interventionist
Rutherford District Schools, TN

Julie Taylor has more than 26 years of teaching experience in elementary education, special education, reading intervention, Spanish, and ELL and ESOL instruction. She has also served as an early intervention reading specialist and a district staff developer in Pinellas County, FL – one of the largest school districts in the country. In addition, Julie has served as a Beacon educator, responsible for providing teachers with their Reading endorsements.

Julie holds bachelor's degrees in elementary education and Spanish and a master's degree in Linguistics and Teaching English as a Second Language. In 2021, she earned her PhD. in Curriculum and Instruction with a focus on Reading, Language, and Literacy. As a distinguished literacy consultant, Julie trains teachers, instructional assistants, interventionists, literacy coaches, reading specialists, and administrators in Jan Richardson's Next Step guided reading approach.

You are so open and inviting, your personality is down to earth and teachers love that about you. Teachers who never met or spoke to you welcomed you right into their rooms as soon as you talked to them.

- Sherry Adamson,
Milton School District, Wisconsin

Learn what *every student* needs to succeed in reading!

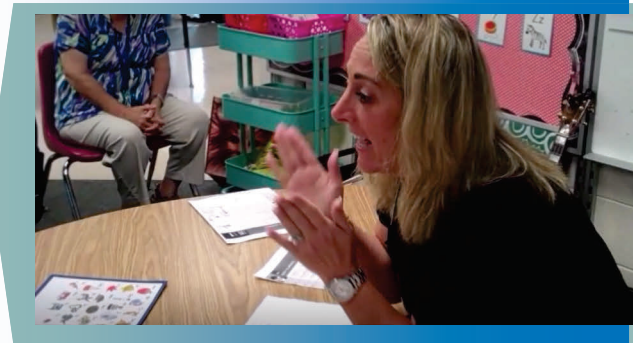

Since learning so much not only about guided reading, but about how kids learn to read, you have truly opened another door for me to be able to teach my students.
