Testimonials

Doug Dunn, Elementary Principal, MO

Lisa is extremely passionate, experienced and well versed in early literacy. Her ability to connect with teachers and provide practical and customized pd, which builds on their strengths has made her an incredible resource for our building as we seek to improve our literacy instruction.

CORE

Beliefs

My goal is for teachers to feel confident with a toolbox of strategies that can be implemented with any curriculum for a variety of learners. Every child should engage in authentic lessons feeling like a reader and a writer. We can and must reach **EVERY LEARNER EVERY DAY!**

Let's work together to create a professional development plan that builds upon the strengths of your site.

Customized Professional Development.

Additional Testimonials

Core Beliefs

Lisa Hall has been instrumental in the implementation of balanced literacy in the district. Over the last several years, Lisa has worked alongside district and site personnel to train and implement all areas of balanced literacy with an emphasis on guided reading for every TK-8 learning facilitator in the district. Lisa is knowledgeable and professional and has been an asset to our team.
